

Rome Select Basketball

2019 AAU Membership / Insurance Registration

Parents,

As a reminder we will need all players to register through the national AAU website for player liability insurance. This will cover all players/coaches/facilities/schools and give them the ability to practice in any gyms and play in any organized games and or tournaments. The AAU player insurance will cover the players and Rome Select under the national AAU liability Insurance umbrella. It is mandatory for all players to purchase AAU insurance each year. If you plan to play AAU basketball in the future we recommend buying a 2 or 3 year membership. All players need to select the Added Benefits package. Cost is \$16 per player per year. AAU insurance season runs from Sept 1st 2018 – August 31st 2019. Please go to <http://www.aaboysbasketball.org/> or www.aagirlsbasketball.org and click the Membership/Join AAU button. You will first have to create an account. Then choose to purchase New player membership or select returning player if you played for us last season. Enter all information and select purchase an athlete membership. When asked to select a club team pick Rome Select Basketball from the drop down menu and enter club code WYW6DY . After completed and payment is made you will be given your 2018-2019 membership ID card. Please print 2 copies and keep a copy for yourself and bring us a copy your 1st practice. If we do not have a copy of the insurance card for the 1st practice, player can not participate.

*Thanks,
Rich Bohning
