Dear Potential Sponsor,

On Behalf of the Rome Select AAU Basketball Club, I would like to extend an invitation for you and/or your company to become a sponsor for our 2023 AAU basketball season. Rome Select AAU Basketball is focused on teaching and training our athletes in the fundamentals of basketball with an emphasis on preparing them for the next level of play. We have assembled some of the finest basketball players in the central NY area. Rome Select works very hard to develop and groom our players and takes great pride in helping athletes of all levels. Rome Select has teams from grades 3rd through 12th from many local CNY School Districts.

Our Rome Select teams have entered some high profile basketball tournaments, located in cities throughout New York, Pennsylvania, and Massachusetts. Our players gain valuable exposure to college coaches and recruiters, thus making scholarship opportunities available. In order to maximize the impact Rome Select can have on the youth of our area, we need support from dedicated individuals and local companies that share our passion for the youth. Rome Select Basketball appreciates any type of contribution to help our program grow.

Funds raised are used to offset cost for our families. Donated funds are used to help pay for equipment, practice facilities, tournament fees and traveling expenses. All funds raised go directly to the kids in our program. Upon request we will happily provide any additional information needed. We also have a Federal Tax Payer Id # available upon request. We look forward to hearing from you or a representative of your company to discuss our program in detail. Rome Select coaches, parents and players thank you in advance for considering a donation to help our organization.

Sincerely,

Richard Bohning

Rome Select President
